

August 2011

Dear Parishioner,

As we continue to enjoy the summer break, the Women's Circle would like to again thank everyone who gave of their time, talents and resources to our parish community over the past year. Your efforts allowed the Women's Circle to generously donate to The Mercy Learning Center and Norwalk Emergency Center, and to improve our parish's Education Center with new masonry, indoor flooring and outdoor playground equipment.

Once again we invite you to join us for the fantastic year ahead! Our group broadly represents our parish – whether you are single, married, with or without children, empty-nesters, working or staying-at-home – we implore you to join us. The diversity of our group allows us to better serve our parish and our outreach programs, while also forging friendships with women we would otherwise not have much contact.

Please see our 2011-2012 Calendar of Events following this letter. It is our hope that there is a "little something of interest" for every woman in the parish and we welcome new ideas. Our success depends upon the women who lead, volunteer and support these activities. Please give some thought to where your interests and talents can be best utilized by completing and returning the following Women's Circle Membership Form. We are currently seeking chair people for our monthly Senior Luncheon, Donut Day, and the Happiness Preschool Book Sale.

We look forward to seeing you at our first social event on Thursday, September 29th at 7:30 pm in the Pastoral Center. Please feel free to reach any of us with questions, concerns or ideas at any time.

All our Best,
